Ujjwal Chapagain

Venture: The Himalayan Rabbit Farm

Location: Kalanki - 14, Kathmandu

Kalanki is at the capital city, Kathmandu which is a central hub of the metropolitan city.

Idea:

The venture works to promote rabbit farming for meat production and also promotes the use of rabbit fur as a raw material. Over a hundred farmers have attended Ujjwal's trainings and about eighty use rabbits to feed their household.

Get Involved:

- Marketing/Business Planning: In devising strategies for marketing and promotions of the Rabbit Farm venture.
- Processing and shearing of rabbits: In technical skin processing (tanning) of rabbits.
